Dear Pam

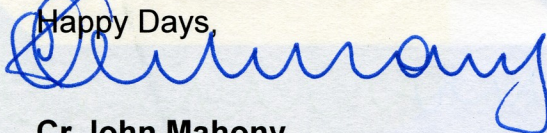

Thank you for the opportunity to have a chat with you last evening. I very much enjoyed our conversation and was pleased to learn that you continue to remain active and enthusiastic. You are something of a role model for your peers.

Pam, we are in a process of naming Parks within our City. We have in excess of 100 of these, many of them un-named. One of these un-named parks exists along the House Creek between Lawrence St and Melbourne Rd, on the western side of the Creek. You will note that the park is immediately North of Les Stone Park, probably the most beautiful park in our City.

So with your permission we would like to like name the area described above as Park Pam Stone Park. As advised last evening, I am not able to put a time on when we will be able to provide proper signage and the like. However when we are in shape I will be pleased to invite you to attend a modest ceremony in your honour.

There is nothing you need to do now. Unless there is any aspect of this letter that is not clear or provides concern we will leave it as is for the time being. Of course, feel free to contact me at any time.

Happy Days,

Cr John Mahony
