Dear Shane:

Following the Coalition's great result on Saturday 7th September, I wanted to personally thank you for the important contribution you again made to our historic victory.

The last three years have been unprecedented in Australian politics and the success of the Coalition over that time has been built on the hard work and support of a great team, of which you have been an important member.

As Campaign Director, I want you to know Shane, how much I personally value your great contribution and support. It has helped provide experience and stability to the team at a crucial time and I am very grateful.

Thank you again, Shane, for all you did to assist our victory. You should be very proud and accept a slice of the credit for the result.

Kind regards

*Many thanks for your
constant support Shane —
I value it enormously.*

Brian
