Dear Shane

Lynne and I send you
our warmest congratulations
on your appointment as a
Companion of the Order of
Australia. You have been
a significant leader of
public life in Australia and

2

the country is much the better
for it.

Your family will be delighted
by this acknowledgement and
they too deserve great credit
for the support which enabled
you to excel and inspire.

Again, our heartiest
congratulations.

Warmest regards
Peter
