**TO WHOM IT MAY CONCERN**

I first met Terry Stone 15 years ago. Since then, I have worked with him, socialised with him and he has worked for me. As such, I have come to know him very well.

He is an extremely ethical and honest person, who goes about his affairs in a reliable and conscientious manner.

I would recommend him as a sincere, capable individual, upon whom one can rely. In this day and age of shoddy, uncaring workmanship, Terry is a contradiction and pleasure to have around, in either a business or personal environment.

If a verbal verification of the above is required, I would be more than happy to respond.

A handwritten signature in cursive script that reads "Barry Toll".
