Dear Mrs Stone

On behalf of the President and National Committee of the Order of Australia Association, it is my great pleasure to welcome you as a new member of our Association. We are delighted you have chosen to join and very much hope you will enjoy participating in our various activities.

One of the benefits of membership is to receive a copy of our half-yearly national magazine, *The Order*. Please advise the National Secretary at the address on the letterhead if you do not receive your copy. If you have access to the internet, you will also find additional information about the Association and branch activities on the Association website www.theorderofaustralia.asn.au

Our next major gathering is our National Conference in Canberra in February, 2008. This will be a gala occasion combining our Annual General Meeting with many other events. The Conference affords members of the Association the opportunity to meet and to share in a number of enjoyable, stimulating and social activities. I hope we will have the pleasure of your company at this time.

Welcome to the Association.

Dina Browne
