Mr David Galvin
5 Kingston Place
RAPID CREEK NT 0810

Dear David

I acknowledge receipt of your letter dated 17 May, 1995.

I congratulate you on your new appointment effective from 16 June, 1995 to the position of Deputy General Manager at the newly created Torres Strait Regional Authority in the Commonwealth Government.

I am confident that you will bring to this position a great deal of expertise and commitment as was evidenced in your position within the Department of Industries and Development.

I also thank you for your very kind remarks as to what might happen in the future. This is all a matter of speculation and only time will tell.

I have enjoyed my association with both you and Polly over the years and I would hope that you would maintain contact with me as I have a vital interest in your future as a born and bred Territorian who has contributed a great deal to what we have today. My best wishes to Polly and I hope that in the event that I can ever be of any assistance that neither of you would hesitate to contact me.

Yours faithfully

Shane L. Stone
