To Whom It May Concern

Dear Sir,
I have known Levy Michael Stone,
of 704 Macarley St. Kelly, for many years.
Levy has conducted his small
business in a ethical and honest manner,
his work has always been carried out
in a conscientious manner and to a high
standard.

He has the ability to relate to
people and to motivate others. Levy comes
from a stable family who have contributed
to the community, and further more continue
to do so.

He is happily married and has
lived in Kelly for 10 years.

I have much pleasure in
recommending him to any position he wishes
to serve.

Yours sincerely

Harold Mair, O.A.M.
