

TO ALL DEMOCRAT AND GREEN VOTERS:

YOUR PREFERENCE FOR AUSTRALIA'S FUTURE

Why thinking Democrat and Green voters must give their preference to the ALP ahead of the Liberal/Nationals.

1. The Liberal/Nationals will let miners into Kakadu.

2. The Liberal/Nationals will build uranium enrichment plants.

3. The Liberal/Nationals will dismantle Medicare.

4. The Liberal/Nationals stand for just about everything the Democrats and Greens oppose.

5. The only preference choice for Democrat and Green voters is: Who do you prefer as Prime Minister of Australia: Bob Hawke or Andrew Peacock?

The real choice: Do the Democrats and Greens want to work creatively from the Senate with the Hawke Labor Government OR will the Democrats and Greens be forced into a negative role to prevent the Liberal/Nationals undoing everything we believe in?

DEMOCRATS AND GREENS: YOUR PREFERENCE CHOICE MUST BE LABOR AHEAD OF THE LIBERALS AND NATIONALS WHO SHOULD BE PLACED LAST.

BOB HAWKE FOR AUSTRALIA'S FUTURE.
