Dear Shane,

I write on behalf of the NT Branch of the Order of Australia to express thanks to you for the wonderful assistance you made to the success of the National Conference in Darwin. Your suggestion and then execution of table sponsors was brilliant and contributed to the success - social, financial and publicity of the Order Conference. Your meticulous attention to detail was much appreciated. We thank Josephine for her assistance.

I add my personal thanks and congratulate you on your efforts which added to the enjoyment and success of the Conference.

Yours sincerely
