Miss Pam Divine,

Dear Pam,

On behalf of the Directors would you accept the enclosed cheque as a wedding present with every good wish for the future. We are very sorry that you are leaving us but realise that the attractions of married life are very great. We know you will make a success of this role in the same way as you have made a success of your job with us. Personally I will miss you very much as you have become quite invaluable during the period you have worked with me. I hope you will never need a reference but should you at some time require one I will be very pleased to give you one. Every good wish and may the future bring you every happiness.
