Dear Pam,

I live just around the corner from you and met you at a Christmas Party held in the childrens playground across the road. Perhaps you don't remember I wasn't there long. I was so sorry to hear of your sad loss but thought I would tell you how grateful I was to Terry.

We came to Albury 8 years ago from a farm at Jerogeny. My husband was then in a wheelchair and I used to push him in Maccauley St for an outing. Terry never failed to talk to him not just a mere "Hello" but a real conversation. Eric always enjoyed it. It was so very kind of Terry to take the trouble to talk to an old fellow not always with it, so I will always remember such a kind deed.

Please accept my deepest sympathy.

Yours very sincerely,
Margaret Seidel.
