

OPERATION STABILISE
EAST TIMOR 1999 / 2000

Dear Mum - This is the only postcard
you can get that is NOT military
you seem to catch something all the time
here - could you protect whatever. The job
is going well - you get to leave your room
and the days go fairly quickly.
We are taking a look at the Mrs P.M. Stone
travelling with us for safety 2/724 TRIBUNE ST
but it is pretty quiet here.
My next stint could be 5-6 weeks Albury NSW
By then I will need a much 2640 AUSTRALIA.
smaller sized wardrobe
Love Terry.

Proceeds from the sale of this postcard are
being donated to the people of East Timor
