

Notes from past

Time capsule opened

A time capsule, hidden behind the foundation stone of the old Wodonga library since 1915, was opened at last night's meeting of Wodonga Shire Council.

Council workmen discovered the capsule when removing the foundation stone this week.

The building has been sold.

Wodonga Shire president, Cr Les Stone opened the capsule which was a glass pickle bottle with a wax sealed top.

It contained a copy of the Wodonga and Towong Sentinel of the day and an official document listing the names of the library committee office-bearers.

Mr George Leighton was president of the committee, Mr W. Twomey was the secre-

tary and the then manager of the Wodonga branch of the Bank of Victoria, Mr Duncan Jamieson was treasurer.

Mr F. W. Edmonson was the committee's solicitor.

Shire president, Cr Les Stone is pictured with the 61-year-old documents.
